##### A. Background

For background on the proceedings in this investigation, please see prior notices including 82 FR 40213 (August 24, 2017), 83 FR 14906 (April 6, 2018), 84 FR 22564 (May 17, 2019), 84 FR 43304 (August 20, 2019), 84 FR 45821 (August 30, 2019), 84 FR 57144 (October 24, 2019), 84 FR 69447 (December 18, 2019), 85 FR 3741 (January 22, 2020), 85 FR 13970 (March 10, 2020), 85 FR 15244 (March 17, 2020), 85 FR 17936 (March 31, 2020), 85 FR 28693 (May 13, 2020), 85 FR 32099 (May 28, 2020), 85 FR 35975 (June 12, 2020), 85 FR 38482 (June 26, 2020), 85 FR 41658 (July 10, 2020), 85 FR 43639 (July 17, 2020), 85 FR 44563 (July 23, 2020), 85 FR 48595 (August 11, 2020), and 85 FR 48627 (August 11, 2020).

In a notice published on August 20, 2019, the U.S. Trade Representative, at the direction of the President, announced a determination to modify the action being taken in the Section 301 investigation by imposing an additional 10 percent *ad valorem* duty on products of China with an annual aggregate trade value of approximately \$300 billion. 84 FR 43304 (August 20 notice). The August 20 notice contains two separate lists of tariff subheadings, with two different effective dates. List 1,

which is set out in Annex A of the August 20 notice, was effective on September 1, 2019. List 2, which is set out in Annex C of the August 20 notice, was scheduled to take effect on December 15, 2019. Subsequently, the U.S. Trade Representative announced determinations suspending until further notice the additional duties on products set out in Annex C (List 2) and reducing the additional duties for the products covered in Annex A of (List 1) to 7.5 percent. *See* 84 FR 57144, 85 FR 3741. On October 24, 2019, the U.S. Trade Representative established a process by which U.S. stakeholders could request exclusion of particular products classified within an eight-digit Harmonized Tariff Schedule of the United States (HTSUS) subheading covered by List 1 of the \$300 billion action from the additional duties. *See* 84 FR 57144 (October 24 notice). The October 24 notice required submission of requests for exclusion from the \$300 billion action no later than January 31, 2020, and noted that the U.S. Trade Representative periodically would announce decisions. The U.S. Trade Representative has issued eight notices of product exclusions under this action. These exclusions are scheduled to expire on September 1, 2020.

On June 26, July 17, and August 11, 2020, the U.S. Trade Representative invited the public to comment on whether to extend by up to 12 months, particular exclusions granted under the \$300 billion action. *See* 85 FR 38482 (June 26, 2020); 85 FR 43639 (July 17, 2020); 85 FR 48595 (August 11, 2020) (the \$300 billion extension notices).

Under the \$300 billion extension notices, commenters were asked to address:

- Whether the particular product and/or a comparable product is available from sources in the United States and/or in third countries.
- Any changes in the global supply chain since September 2019 with respect to the particular product, or any other relevant industry developments.
- Efforts, if any, importers or U.S. purchasers have undertaken since September 2019 to source the product from the United States or third countries.

In addition, commenters who were importers and/or purchasers of the products covered by an exclusion were asked to provide information regarding:

- Their efforts since September 2019 to source the product from the United States or third countries.
- The value and quantity of the Chinese-origin product covered by the specific exclusion request purchased in

2018 and 2019, and whether these purchases are from a related company.

- Whether Chinese suppliers have lowered their prices for products covered by the exclusion following the imposition of duties.
- The value and quantity of the product covered by the exclusion purchased from domestic and third country sources in 2018 and 2019.
- The commenter’s gross revenue for 2018 and 2019.
- Whether the Chinese-origin product of concern is sold as a final product or as an input.
- Whether the imposition of duties on the products covered by the exclusion will result in severe economic harm to the commenter or other U.S. interests.
- Any additional information in support or in opposition of the extending the exclusion. The June 26, 2020 notice required the submission of comments no later than July 30, 2020. The July 17, 2020 notice required the submission of comments no later than August 14, 2020. The August 11, 2020 notice required the submission of comments no later than August 20, 2020.

**B. Determination To Extend Certain Exclusions**

Based on evaluation of the factors set out in the October 24 notice and the \$300 billion extension notices, which are summarized above, pursuant to sections 301(b), 301(c), and 307(a) of the

Trade Act of 1974, as amended, and in accordance with the advice of the interagency Section 301 Committee, the U.S. Trade Representative has determined to extend certain product exclusions granted under the \$300 billion action, as set out in the Annexes to this notice.

The \$300 billion extension notices provided that the U.S. Trade Representative would consider extensions of up to 12 months. In light of the cumulative effect of current and possible future exclusions or extensions of exclusions on the effectiveness of the action taken in this investigation, the U.S. Trade Representative has determined to extend the exclusions in the Annexes to this notice for less than 12 months—through December 31, 2020. To date, the U.S. Trade Representative has granted more than 6,800 exclusion requests, has extended some of these exclusions, and may consider further extensions of exclusions. The U.S. Trade Representative will take account of the cumulative effect of exclusions in considering the possible further extension of the exclusions covered by this notice, as well as possible extensions of exclusions of other products covered by the action in this investigation. The U.S. Trade Representative’s determination also takes into account advice from advisory committees and any public comments

concerning extension of the pertinent exclusions.

In accordance with the October 24 notice, the exclusions are available for any product that meets the description in the Annexes, regardless of whether the importer filed an exclusion request. Further, the scope of each exclusion is governed by the scope of the ten-digit HTSUS headings and product descriptions in the Annexes to this notice, and not by the product descriptions set out in any particular request for exclusion.
